

Happy Holidays

FOSTERALL FLASH

December 2021

2000 Gifts Bless Foster Youth

FosterAll's many faith partners responded to the call to give a gift to a child this holiday season. Not only were there enough gifts for FosterAll's Foster Family Christmas for 150 at La Canada Presbyterian Church and for our Group Home Christmas Events for 300 youth at 30 locations, but we were able to bless hundreds more with gifts across the counties. It was a Christmas to remember thanks to our faith partners.

CONNECT

Camp for Foster Teens

FosterAll in partnership with Expression58 Church, KidSave and DCFS gave 50 foster teens an unforgettable weekend camp experience in the mountains. Camp Connect was developed to help those teens who are resistant to being adopted and will age out with no one unless they realize the value of positive, supportive adult connections. They were greeted with welcome baskets, sleeping bags, warm blankets and more from FosterAll's generous faith partners. The activities and stories were so impactful that by Sunday the teens were opening up to the possibility of having a forever family.

We wish to extend heartfelt thanks to our faith partners who gave generously to these events
